**DECISION ON ATTORNEY'S FEES AND COSTS<sup>1</sup>**

On August 13, 2020, Debbie Myers ("Petitioner") filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration ("SIRVA"), a defined Table injury, after receiving the influenza vaccine on October 24, 2017. Petition at 1, ¶¶ 3, 16. On October 26, 2023, I issued a decision awarding damages to Petitioner, based on Respondent's proffer. ECF No. 58.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$28,934.43 (representing \$27,947.20 for fees and \$987.23 for costs). Petitioner's Application for Attorneys' Fees, filed Apr. 26, 2024, ECF No. 63. In accordance with

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 35-36.

Respondent reacted to the motion on April 26, 2024, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 64. Petitioner has not filed a reply.

The rates requested for work performed through the end of 2023 are reasonable and consistent with our prior determinations, and will therefore be adopted. Petitioner has also requested a 2024 attorney hourly rates of \$584 for work performed by Lawrence Cohan - representing a rate increase of \$31. ECF No. 83 at 19. Additionally, Petitioner requests an hourly rate of \$197 for paralegal work. *Id.* I find these 2024 hourly rates to be reasonable, and will award the attorney's fees requested.

I also note this case required additional briefing due to the lack of a vaccine record in this case. See Petitioner's Brief in Support of Petitioner's Position That She Received the Flu Vaccine as Alleged in Her Petition, filed July 7, 2022, ECF No. 37. Petitioner's counsel expended approximately 12.7 hours drafting the brief. ECF No. 63 at 13-14. I find the time billed to the matter, as well all billed time, was reasonably incurred.

Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 63 at 21-34. And Respondent offered no specific objection to the rates or amounts sought. I have reviewed the requested costs and find them to be reasonable.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). **I award a total of \$28,934.43 (representing \$27,947.20 for fees and \$987.23 for costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Lawrence R. Cohan.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.<sup>3</sup>

**IT IS SO ORDERED.**
